Exhibitors

Join us at the 5th Annual Shutdown, Turnaround, and Outages Conference & Exhibition, where we delve into a diverse range of topics and crucial areas that are essential for ensuring successful shutdowns and turnarounds. This conference will provide valuable insights and knowledge in the following key areas:

Areas to be Covered for Shutdowns and Turnarounds Conference in the Middle East

Turnaround Planning and Execution Strategies:	Risk Management and Safety in Shutdowns:
<div>Best practices for effective turnaround planning.</div> <div>Turnaround scheduling and timeline optimization.</div> <div>Stakeholder alignment and communication strategies.</div> <div>Managing resources and logistics during turnarounds.</div>	<div>Identifying and mitigating turnaround risks.</div> <div>Health, safety, and environmental considerations.</div> <div>Implementing safety protocols and emergency response plans.</div> <div>Lessons learned from past shutdown incidents.</div>
Innovative Technologies in Turnaround Management:	Environmental Sustainability in Turnarounds:
<div>Digital tools for turnaround planning and tracking.</div> <div>AI- Achieving operational excellence through turnarounds.</div>	<div>Sustainable practices for waste management and recycling.</div> <div>Reducing carbon footprint during shutdowns.</div> <div>Renewable energy integration during turnaround activities.</div>

Shutdown and Turnaround Benchmarking:

Benchmarking Middle Eastern turnaround performance.

Global trends and best practices in shutdown management.

Comparative analysis of industry-specific turnaround.

Future Trends and Technologies in Turnarounds:

Industry outlook and future challenges in the Middle East.

Embracing digitalization and automation in turnarounds.

Next-generation turnaround strategies and technologies.

Contractor-Owner Operator Collaboration:

Enhancing collaboration and communication between parties.

Contractor performance evaluation and improvement strategies.

Aligning goals for successful turnaround outcomes.

Shutdown and Turnaround Post-Event Evaluation:

Conducting post-event assessments and analysis.

Capturing lessons learned and implementing improvements.

Feedback and communication loops for continuous improvement.

Abstract Submission

The body of your abstract should describe the background, methods, results, and conclusions of your research or subject.

You may type your abstract directly into the text box, cut and paste it from an existing document, or upload a text file with your abstract.

Do not exceed 1500 characters (approximately 230 to 245 words) for the total of your abstract title and body, including section titles and tables.

The character count excludes institutions, author names, and spaces. One data table per abstract is permitted. Figures and illustrations are not allowed.

Submission of an abstract implies the author(s)' agreement to publish the abstract in the conference program and on the Energia Middle East Website

If you are submitting more than one abstract, a separate submission must be made for each one. The Program Committee will be responsible for evaluating abstracts.

Every effort will be made to accommodate the author(s) presentation preference. However, the Program Committee reserves the right to rearrange the presentation to best suit the program length. Presenters must register and pay for travel and accommodation expenses.

Email your paper/abstract to: info@energia-me.com

Deadline for abstract Submission
1st October 2023

Deadline for Presentation Submission
15th November 2023

We thank you for all the support and hospitality extended during STOTME19 conference. We congratulate you and Energia Middle East team for arranging this event in a very professional manner.

Special thanks to you for extending the support to our delegates during the conference.

Bajpe Zakria
CEO
Almuzain

Pre-Conference Workshops

STOT workshops provide one-of-a-kind opportunities to interact with industry experts. These interactive sessions are extended to ensure that you get to the heart of the conference's most pressing issues and discover practical solutions that you can implement in your own business. When designing our workshops, we strive for a balance of theory and practice in order to provide you with practical takeaways that can be tailored to your organization. Furthermore, you will have the opportunity to network with peers from similar organizations in order to expand your network for future career opportunities and broaden your Industry's perspective and exposure.

What are the advantages of participating in workshops?

- Address your specific challenges through a series of theoretical and practical exercises led by a recognized expert in the field
- Learn substantial information on a specific topic in a short period of time - the facilitator will already have sifted and selected the information presented from a wide variety of sources and the small group size will allow you to get your questions answered
- Meet with other like-minded delegates to discuss common challenges, exchange ideas and solutions, and benchmark your competitors or project partners.

“

It was very interesting conference, starting from preparation of the event, subjects, papers, speakers , participants and location. I really appreciate all the hard efforts done by the organizers and their committees and hope to join their future events.

Salem Al Shahrani
Manager Maintenance
SWCC

”

“

It was a great knowledge-sharing event, every speaker and attendant shared his/her own experience. For us, it was direct access to a wealth of knowledge that would enrich our experiences. The momentum during the discussions was so high and this is a strong indication that everything presented was of great value and interests.

Adnan Al-Awwami
ISEC Founder & Engineering Consultant
Saudi Council of Engineers Consultant (#258041)
Saudi Association of Technicians Consultancy Council Member

”

“

During the conference, we met talented and experienced turnaround engineers where added value to our background how to handle STO from stream to stream with obtaining high quality, performance and safety in addressing T&Is. Moreover, different topics were delivered which covered all STO phases and shared the best in class of STO best practices in the middle east.

Hussain Al-qahtani
Saudi Aramco, Abqaiq Plants Maintenance Department
T&i Senior Engineer

”

“

It was a great event and an opportunity for STS to showcase our Turnaround and Shutdown Capabilities to end users. Highly impressed with Ice breaking session, Print and digital marketing campaign, Quality speakers and committee members. Hope to see more NOC participants next year to share their experience and challenges. It was a great event and very well organized! Well done Team ENERGIA, Keep it up...

Gaurav Sharma
Group Business Development Manager,
Special Technical Services L.L.C.

”

“

I really appreciate the effort during the event and all teams as well. In fact, the high level of attendess are is one of the unique point for event and the specialty of presentations give us maximum benefit. The discussions were organized smoothly. Also, following the time schedule of event really appreciated.

Thanks again and I will be glad to joint you in the future.

Eng. Saleh Hasan Alzahrani
Director of Contractors Licensing
Saudi Contractors Authority

- All 'Early Bird' Discounts require payment at time of registration and before the cut-off date in order to receive any discount.
- Any other discounts offered by Energia Middle East (including team discounts) require payment at the time of registration.
- Discounts cannot be combined with any other offer.

CANCELLATION, POSTPONEMENT AND SUBSTITUTION POLICY

- You may substitute delegates at any time by providing reasonable advance notice to Energia Middle East.
- For any cancellations received in writing not less than eight (8) days prior to the conference, you will receive a 90% credit to be used at another Energia Middle East conference which must occur within one year from the date of issuance of such credit. An administration fee of 10% of the contract fee will be retained by Energia Middle East for all permitted cancellations. No credit will be issued for any cancellations occurring within seven (7) days (inclusive) of the conference.
- In the event that Energia Middle East cancels an event for any reason, you will receive a credit for 100% of the contract fee paid. You may use this credit for another Energia Middle East event to be mutually agreed with Energia Middle East, which must occur within one year from the date of cancellation.

Room Reservations

Special / corporate rate for room accommodation is available in the hotel. You may contact the hotel directly as per the details above quoting Energia Middle East or the name of the conference.

Please book at the earliest for your convenience.

- In the event that Energia Middle East postpones an event for any reason and the delegate is unable or unwilling to attend on the rescheduled date, you will receive a credit for 100% of the contract fee paid. You may use this credit for another Energia Middle East event to be mutually agreed with Energia Middle East, which must occur within one year from the date of postponement.
- Except as specified above, no credits will be issued for cancellations. There are no refunds given under any circumstances.
- Energia Middle East is not responsible for any loss or damage as a result of a substitution, alteration or cancellation/postponement of an event. Energia Middle East shall assume no liability whatsoever in the event this conference is cancelled, rescheduled or postponed due to a fortuitous event, Act of God, unforeseen occurrence or any other event that renders performance of this conference impracticable, illegal or impossible. For purposes of this clause, a fortuitous event shall include, but not be limited to: war, fire, labour strike, extreme weather or other emergency.

PROGRAMME CHANGES

- Please note that speakers and topics were confirmed at the time of publishing; however, circumstances beyond the control of the organizers may necessitate substitutions, alterations or cancellations of the speakers and/or topics.
- Energia Middle East reserves the right to alter or modify the advertised speakers and/or topics if necessary. Any substitutions or alterations will be updated on our web page as soon as possible.
